

Dear Fellow Church Member,

Thank you for another successful year in the "Live Flower Program" for the Sanctuary. The arrangements have added much to the overall beauty of the sanctuary and the flowers placed in honor or in memory of your loved ones serve as a reminder to our people to pray for you and your family on your special date. If you have already been a participant, then you know how the program is managed. However, if you are considering placing flowers for the first time in 2012, the following will help you.

Participation for the next year, January through October, will be handled on a "first request, first serve" basis. During the months of November and December, our Sanctuary Decoration Committee will display the cornucopia and the manger and advent candles, respectively. If either of these months are one you would choose, then you could have your flowers placed in the vestibule or choose a date earlier in the year.

Alabaster Florist, owned by church members, Don & Linda Faust, will continue to serve as our vendor for 2012. Each arrangement contains approximately \$75.00 worth of flowers but will cost \$54.00 (This includes \$50 for the arrangement & \$4.00 for tax). This is a generous discount. If you wish to provide an arrangement please fill out your form and turn it in as soon as possible. To lock in a specific date, you must call me (see below for contact information) as soon as possible. No dates can be locked in until you speak with me so I can first check the calendar and to be sure the specific date you want is available. We will need to fill the month of January as quickly as possible. (Order form is below and also available on our website at www.fbc.alabaster.org and in the church office.)

When your order is completed, please deliver it to the church office personnel; they will see that it is placed in my folder marked, "Live Flower Program", or you may mail it to me at the address provided below. We also encourage you to attach your check for \$54.00 to your order blank. If your date is later in the year you may wait and pay closer to that time but payment must be turned into the church office prior to the week your flowers are to be ordered.

Please do not hesitate to call me if there is a problem or a question. I look forward to hearing from you.
